Governance Committee Minutes and Action Items

Committee minutes connecting contract review, audit findings, and remediation tasks.

Document ID	MIN-101
Owner	Corporate Secretary
Meeting Date	2024-03-15
Committee	Third-Party Risk Governance Committee
Classification	Internal Use

Synthetic corporate document for demo, evaluation, and retrieval workflows only. All parties, people, systems, repositories, and events are fictional.

Meeting Summary

Field	Value
Chair	Maria Santos, VP Procurement
Attendees	Elena Petrov (CISO); James Park (Privacy Counsel); Alex Rivera (Security Engineering); Priya Nair (IT Operations); Olivia Grant (Vendor Management); Hannah Cole (Corporate Secretary)
Purpose	Review Northwind contract posture, audit findings, and remediation requirements before production launch approval.

Decisions Recorded

- The committee agreed that the MSA package cannot be approved unless liability, transfer mechanism, and incident-notification language are strengthened.
- The committee accepted opening NCR-2024-011 and required correction of the access-review evidence gap before launch close-out.
- The committee allowed Procurement to pursue a temporary uptime risk acceptance for the pilot phase only, subject to compensating controls and monthly reporting.
