MSA Negotiation Baseline — Approved Position

Clause baseline used by Meridian Legal and Procurement when reviewing strategic vendor contracts.

Document ID	CTR-011
Owner	General Counsel
Status	Approved Baseline
Effective Date	2024-01-05
Applies To	Strategic cloud and managed AI vendors
Classification	Confidential

Synthetic corporate document for demo, evaluation, and retrieval workflows only. All parties, people, systems, repositories, and events are fictional.

Purpose

This baseline captures Meridian's non-negotiable fallback language for strategic software and managed-services transactions. It is used as the approved comparator for contract redlining, automated comparison, and executive escalation.

Approved Position Summary

Clause Topic	Approved Meridian Baseline
Liability Cap	General cap equal to 2× annual contract value; unlimited liability only for fraud or willful misconduct.
Termination Notice	Either party may decline renewal with 30 days written notice.
Derivative IP	Customer retains all rights to derivative works, playbooks, schemas, and outputs generated from Customer content.
Incident Notification	Critical incidents involving Customer Data must be notified within 24 hours of confirmation; material service incidents within 48 hours.
Audit Rights	Customer may perform a remote control review for material concerns and receive evidence packages annually.
Cross-Border Transfers	EU personal data remains in the EEA unless SCC Appendix C is attached and approved.

This document is the main “Document B” reference for comparison diffs. It resolves the same clause areas that are weak in the vendor draft.
