

DOCUMENT CONTROL

Data Retention Policy

Retention schedule for legal, audit, and control-evidence records.

Document ID	POL-033
Owner	General Counsel
Version	2.0
Effective Date	2024-01-08
Classification	Internal Use

Synthetic corporate document for demo, evaluation, and retrieval workflows only. All parties, people, systems, repositories, and events are fictional.

Purpose

This policy sets minimum retention periods for corporate records, compliance evidence, audit artifacts, contract files, and system-operational data required to support internal governance and regulatory obligations.

Retention Schedule

Record Category	Minimum Retention	Repository Expectation
Executed contracts and DPAs	7 years after expiration or termination	Legal contract repository
Access-review evidence and approvals	3 years after review completion	GRC evidence vault with owner and review date
Internal audit reports and NCRs	5 years after closure	Audit repository with linked corrective actions
Security telemetry	12 months unless stricter requirement applies	Central SIEM / immutable archive
Board and committee minutes	Permanent corporate record	Board portal and secretary archive

Evidence Handling Rules

- Evidence packages must preserve provenance, owner, review date, and relation to the control period being tested.
- Deletion or purge of auditable evidence must be documented and approved by the control owner and Legal.
- Documents transmitted by email remain evidence only if exported or archived into the approved repository.
