

DOCUMENT CONTROL

Third-Party Supplier Code of Conduct

Meridian's minimum control expectations for strategic vendors and subprocessors.

Document ID	POL-034
Owner	VP, Procurement
Version	1.1
Effective Date	2024-01-09
Audience	Critical suppliers and subprocessors

Synthetic corporate document for demo, evaluation, and retrieval workflows only. All parties, people, systems, repositories, and events are fictional.

Supplier Obligations

- **SUP-SEC-01.** Maintain least-privilege access, MFA for privileged users, and documented approvals for production support access.
- **SUP-IR-02.** Notify Meridian of any material incident involving Meridian data or Meridian-operated workflows within 24 hours of confirmation.
- **SUP-DPA-03.** Provide current subprocessor lists and advance notice of material changes.
- **SUP-EVD-04.** Retain and furnish reasonable evidence needed for annual review, audit follow-up, and remediation verification.
- **SUP-BCP-05.** Maintain business continuity, backup, and recoverability processes proportionate to the service criticality.

Alignment Purpose

This code is referenced by Procurement, Security, and Legal when reviewing vendor contracts and when converting contract findings into operational follow-up actions.
