

DOCUMENT CONTROL

Subprocessor Change Notice

Vendor communication for a material update to the Northwind subprocessor list.

Document ID	CHG-001
Issued By	Northwind Cloud Systems LLC
Notice Date	2024-04-03
Effective Date	2024-05-05
Status	Customer review open

Synthetic corporate document for demo, evaluation, and retrieval workflows only. All parties, people, systems, repositories, and events are fictional.

Notice Summary

Northwind hereby notifies Meridian of an update to the approved subprocessor list for the managed retrieval service. The change introduces additional EU-based support and observability services.

Changed Subprocessor Entry

Subprocessor	Service	Hosting Region	Data Access Profile
EuroLogix Support GmbH	24×7 operational support and incident triage	Frankfurt, Germany	Potential access to diagnostic logs and account metadata; no content access expected

Customer Action Window

- Customer may raise a documented objection within fifteen (15) days of this notice if the change creates a material data-protection concern.
- Northwind will provide supplemental information on technical safeguards and personnel-access controls upon written request.
- This notice does not itself amend Appendix C or any transfer mechanism and should be read alongside the DPA and current subprocessor list.
