1. Draft Summary

This counterparty draft was received during final negotiations. It is intentionally written to create review findings for contract-gap and policy-alignment demos.

Clause Area	Vendor Draft Position
Security incident notice	Provider will notify Customer within 10 business days after determining that a material incident occurred.
Audit rights	No customer audit right. Provider may instead share a summary letter or certification at its discretion.
Subprocessors	Provider may update its subprocessor list from time to time without approval; notice is provided only upon request.
Data deletion	Provider will use commercially reasonable efforts to delete Customer Data following termination. No deletion deadline is stated.
Use of data	Provider may use de-identified service data for product development and model improvement.
Liability cap	Aggregate liability limited to fees paid in prior 12 months, including for confidentiality and data-security claims.

2. Additional Draft Terms

- Provider may suspend service for any suspected misuse with commercially reasonable notice when practicable.
- Provider warrants services will be performed in a professional manner but disclaims all implied warranties to the fullest extent permitted by law.
- Provider may rely on a third-party security assessment in lieu of responding to individual customer questionnaires.

3. Review Cue

Designed for demos that test clause extraction, gap detection, policy alignment, and contract risk summarization.
